

# maveo connect stick

## Article

Item no.	Description
189602	<b>maveo connect stick</b> - plug & play connectivity module
192584	<b>maveo connect Basic-Bundle</b> - plug & play connectivity module incl. Special 630 photocell

## Features

### Remote Door Control

Open and close your garage door with a tap on your smartphone. No more searching for remotes or struggling with manual operation.

### Auto-Close Timer

Set up a timer to automatically close your garage door after a specified time. For added safety, our bundle includes a light barrier, ensuring your garage door won't close if there's an obstruction.

### Light Control

Switch on the garage door operator's light with a simple tap in the app, ensuring safety and visibility in your garage.

### Coming-Home Scenario

Create a geofence around your home. When you enter this zone, maveo Connect Stick sends you a push notification, offering a quick way to open your garage door as you arrive.

### Status at a Glance

Always know whether your garage door is open or closed with real-time status updates right on your smartphone.

### Guest Passes

Share access to your garage with friends and family effortlessly. Manage their access and revoke permissions instantly, so you're always in control. Never lost remotes again!
